

## **Public Works Shop Electrical Tender**

### **Scope of Work**

The Municipality of Grassland is requesting tenders from qualified electrical contractors to supply all labour, materials, permits, coordination, and equipment necessary to complete the electrical work associated with a new Public Works shop and upgrades to the existing shop located at 306 Spencer Street in Hartney.

#### **1. Electrical Service Upgrade**

- Upgrade the existing electrical service to 400 amp to accommodate both the existing shop and the new shop.
- Provide underground electrical feed from the upgraded service to the new shop, including trenching, conduit, wiring, and restoration.
- Coordinate with Manitoba Hydro to confirm service requirements, inspections, and final connection.

#### **2. Mechanical & Equipment Wiring**

- Complete wiring of one (1) boiler, including all controls and required connections.
- Wiring of three (3) overhead doors, including:
  - Door operators
  - Safety devices
  - All associated controls and connections

#### **3. Lighting**

- Supply and install high-bay LED lighting throughout the interior of the new shop.
- Supply and install two (2) exterior LED dusk-to-dawn light fixtures.
- Lighting layout to provide appropriate illumination levels for an industrial Public Works facility.

#### **4. Power & Receptacles**

- Supply and install:
  - Industrial ceiling fans
  - Exterior weatherproof electrical receptacles
  - One (1) welder plug
  - Electrical provisions for a future air compressor
  - Convenience receptacles throughout the shop
  - Bench-level receptacles at designated work areas

## 5. General Requirements

- All work shall comply with:
  - Manitoba Electrical Code
  - Manitoba Hydro standards
  - All applicable federal, provincial, and municipal regulations
- Contractor is responsible for:
  - Obtaining all permits and inspections
  - Coordination with Manitoba Hydro and other trades
  - Testing, commissioning, and final cleanup
- Tender price shall be all-inclusive unless clearly stated otherwise.

## 6. Site Visit & Inquiries

- A site visit is recommended prior to submitting a bid.
- Any questions or requests for clarification shall be submitted in writing to the Municipality prior to the tender closing date.
