Dennis County Planning District

Community Visioning Survey

Introduction

Dennis County Planning District is conducting a comprehensive review of its Development Plan. This review will help to ensure that the long-term vision for the District and its member municipalities is consistent with each community's current and future needs and meets provincial requirements.

The purpose of this survey is to:

- Learn what you enjoy about your community
- Gain an understanding of your community's issues and areas of concern
- Gather feedback on the type of development you would like and would not like to see happen in your community
- Generate ideas for a long-term vision for your community

This survey will take about five minutes to complete. Please complete the survey by **May 6, 2024**. To access on online version or to view/download our display boards, visit: <https://www.surveymonkey.ca/r/developmentDCPD>
